Dear Zev,

The purpose of my letter is to commend you and your company for the superb job you did in helping me to conduct an "extreme makeover" of my townhouse garage. The overall results are exceptional, much more than I expected, and I am very pleased.

As a result of this "makeover", I was finally able to move out of a temporary storage space in a nearby business area, a space that I originally intended to use for 6 months or so, but ended up with it for over five years. The overhead storage racks not only held all of the items from this space but also provided much additional room. Furthermore, the various cabinets, shelves, hooks, etc. have turned my garage into a really organized area with room for both of our automobiles and much more. But, best of all, it really looks nice!

My personal thanks to you and your employees for their excellent work, friendly attitude, and desire to provide good service. I will highly recommend you and your company to my friends and neighbors.

Best wishes for continued success.

Respectfully,
